CUSTOMER BULLETIN

Dear Client,

As you are aware, you regularly make cross-border payments to us.
To process such payments more speedily and securely, we kindly request you to pay us via IBAN transfer on one of our following accounts :

BANK	ING	Cours St.Michel 40	1040 Brussels
IBAN		BE65 3101 1287 9996	
SWIFT		BBRU BE BB	

OR

BANK	KBC	Ernest Ourystraat 8	3320 Hoegaarden
IBAN		BE82 7340 0482 6868	
SWIFT		KRED BE BB	

IBAN (International Bank Account Number) is a new standard universally applied in Europe governing account numbers, which makes payment processing quick and more accurate. Most importantly, it cuts down bank charges for both parties.

Therefor we insist that payments are made by using these codes.
Should you still prefer to pay us by regular bank transfers or via cheque, no problem but please be aware that we will be forced to re-bill all bank charges to you.

If you have any further questions to the above, please don't hesitate to contact us.

Best regards,

Joël Swartenbroek
